

Biomimetics Technologies Inc: Biological Solutions in Real Time

Toronto, Canada www.biomimeticstechnologies.com

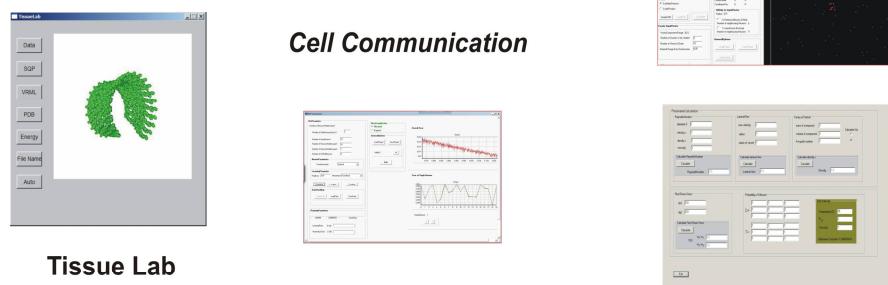

1- Tissue Engineering: Differential Pressure Laminar Flow Bioreactor

*Manufacture in cooperation with Zerspanung-Metallbau, Hannover Germany
Development in conjunction MHH (Medizische Hochschule Hannover) Departament
Hand Surgery and Reconstructive Surgery, Hannover Germany, University of Hannover Germany
and University of Potsdam, Potsdam Germany*

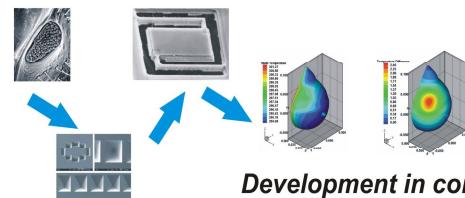

2-Biological Software:

Development in cooperation with: Ingenierbüro RT&S Clausthal-Zelleferl, Germany

3-Biomimetic: Infrared Technology

Manufacture in cooperation with: Kerdry Lannion France

*Development in conjunction MHH (Medizische Hochschule Hannover) Departament
Hand Surgery and Reconstructive Surgery, Institute for Photonic, Jenna Germany
Zerspanung-Metallbau, Hannover Germany and
Ingenierbüro RT&S, Clausthal-Zelleferl, Germany*

BTI marketing in cooperation with Business Friend, Watchberg Germany
